

ADVENT Modena M201

Advent Modena M201 is a perfect combination of technology and style, which provides an amazing computing experience to the users. Its 320 GB hard drive provides ample storage space, while its wide LCD displays clear pictures. The powerful Intel Celeron T3500 processor present in this laptop enables the users to use internet, listen to music, watch videos, play video games, and run various software applications efficiently.

Design

Advent Modena M201 has a 15.6 inch wide LCD screen equipped with LED backlight. It also has a 1366 x 768 screen resolution, which is a rare feature in **cheap** laptops like this one. Its Intel GMA 4500M graphics card provides a high-end video gaming experience to the users and also displays quality pictures. The 4 Cell Lithium-ion battery in this laptop is able to provide a good power backup to the users.

Processor and Operating System

Advent Modena M201 is equipped with Intel Celeron Processor T3500, which has a clock speed of 2.10 GHz, and 1 MB of L2 cache memory. Hence it offers a fast and efficient computing experience to the users. At the same time, it comes preinstalled with genuine Windows 7 Home Premium operating system, which is powered with numerous improved features such as better network security, full 64 bit support etc.

Storage Space and Memory

The ADVENT Modena M201 comes with 320 GB SATA Hard drive, which offers ample storage space to the users. Hence, users no longer have to worry about lack of storage space for installing heavy software applications or storing important files in their laptops. Moreover, with a 3GB RAM, users can have a fine multitasking and faster processing experience while working on this laptop.

Connectivity Features

The ADVENT Modena M201 is equipped with numerous connectivity features such as 4 in one integrated digital media reader, 3 USB slots, 0.3 megapixel camera and a VGA port. Its 802.11 b/g/n Wi-Fi connection and the integrated LAN Card allow the users to access internet even while travelling. It's DVD +/- drive facilitates easy reading and writing of the DVD discs.

The ADVENT Modena M201 is one of the best **laptop deals** available in the market because it comes with all the latest and useful features and is available at an affordable price.
