

## **About Connaught Interiors**

Connaught Interiors is a budding central London design firm, having expertise in bringing about unmatched design to all areas of interior, be it houses, flats or commercial properties. Our closely knit team of designers holds more than 25 years of experience and they are capable of translating the ideas of the clients into successful design projects, which are exceptional both aesthetically and commercially. Our undeviating approach to imbibe innovation and quality in all over endeavours have given us the privilege to work with reputed clients in the Middle East, Europe, Latin America, Africa and Asia.

We work closely with our clients to offer a complete interior design package, handling everything from initial concepts through to production drawings, specifications, organizing contractors and finally placement of furniture. Right from providing bespoke kitchens supply, install affordable Italian designer kitchens, marble bathrooms with full cladding to providing home furniture in London, we do it all, thereby providing complete home designing solutions that focus on every corner of your home. Our integrated designs and refurbishing services ensure that our clients reap the rewards, which have resulted in high rate of recurring projects from dedicated clientele over the years.

Renowned as a leading furniture store UK, we offer contemporary wardrobes London, bedroom furniture in London, luxury bedroom furniture in London, contemporary furniture in London, Italian furniture in London, living room furniture in London and kitchen furniture in London. Understanding that comfort and practicality are the vital aspects of any design project, Connaught Interiors ensures to put a touch of creativity and magic in all projects and provide complete attention to each of our clients to offer highly creative, elegant solutions and efficiency in realization. We focus on the following aspects to provide nothing but the best to our clients:

- Concept and Presentation
- Design and Development
- Interior Architecture
- Furniture & Fittings Specification
- Construction and Installation

With our widespread experience in working on diverse projects from luxury residences, VIP office suites and show apartments, to grand hotels and prestigious retail outlets, we can help you in making your dream come true with stupendous designs and optimal experience. Being a small firm, we provide special attention to each of our clients, as we understand their importance for us like no one else. Our dedication and innovative approach have given use the opportunity to work for high profile celebrities, multinational companies, and leading hotels, who have appreciated us for maintaining a confidential and professional approach. Although operating in greater London, specifically west London, we have crossed all barriers to cater to the interior designing, construction, installation and refurbishing requirements of our clients spread all over the world.
