

Car Hire Becomes More Convenient with Phone Services

“Cut Price Car Rentals launches toll free numbers to avail car hire services via phone”

For immediate release

Gold Coast, Australia, January 25, 2010 – Cut Price Car Rental has introduced its new services, which makes getting car rentals extremely easy via phone. They have announced the launch of toll free numbers for Australia as well as New Zealand, so the customers can reach them anytime.

If you are planning for a Gold Coast holiday, then you need not worry about commutation as getting **Gold Coast car hire** is just a phone call away. With more and more people accessing the internet through mobile, they are also providing the facilities of online rental services and offer 24X7 assistance to the customers. They offer car rental reservation services for online bookings and enable the customers to find the desired car hire location through their integrated search engine, with complete ease. Customers also have the flexibility to make bookings for additional equipment, such as satellite navigation systems, road maps, child seats and others over the phone or online.

Cut Price Car Rental is a renowned name, providing world-class services for **car rental in Gold Coast**, Brisbane, Coolangatta, Surfers Paradise, and other Queensland locations. Committed to provide hassle free car rental services to their clients, the launch of this service is another effort of Cut Price Car Rental towards simplifying the car hire services. Moreover, they also provide free pick up and delivery, while availing **car rental at Gold Coast airport** or Brisbane airport. Therefore, giving the customers yet another reason to plan their holidays with “Cut Price Car Rentals” deals.

Cut Price Car Rental is just the perfect place, where one can find some of the cheapest car rental deals in Australia. Moreover, with a huge variety of cars to choose from and transparent dealings, all-inclusive rates with no hidden costs, this company enjoys a devoted clientele. Furthermore, the visitors to the site are not even required to furnish their credit card details, at the time of booking online.
