

## **Eden Prairie MN Homes**

Eden Prairie is a second-ring suburb of the Twin Cities, located on the southern central part of Hennepin County. Situated just 11 miles southwest of downtown Minneapolis, this city is easily accessible from all major highways. Eden Prairie had been a gradually developing pastoral community for most of its history, but it witnessed rapid growth in terms of coming up of residential and retail area in the 80s and 90s, especially after the construction of the Eden Prairie Mall in 1976. It has recently been ranked among the best places to live and work in the U.S. by Money magazine. Featuring more than 100 miles of nature and hiking trails in park system, Eden Prairie offers indoor ice, rock climbing, lakes, pools and much more.
